WHY YOUR HELP MATTERS

We are very excited to announce that our current home is now owned by Holistic Riding Equestrian Therapy (HRET). Owning our forever home increases teaching hours, providing space for additional ADA accommodations. Additionally, we are able to expand veteran programming, and agricultural/farming experiences. Installing gas lines, insulation and arena heaters will eliminate the need to suspend classes during the winter to protect our participants and horses from the extreme winter elements, and offer year round classes in a climate controlled arena.

WE ASK FOR YOUR SUPPORT!

Your financial support, services, goods, and labor donations are a critical stepping stone to HRET's future.

Our new facility features:

- 20 Adjustable Stalls
- Indoor/Outdoor Arenas
- Training Room
- Power Lift and Ramp
- Viewing Area and Bleachers
- ADA Compliant Restroom
- ADA Accommodating Garden
- Hiking & Mounted Wooded Sensory Trail
- Tack, Feed and Medicine Rooms
- Indoor Hay and Shaving Storage

Make this expansion part of your legacy.

Talk to us about naming rights to our new home.

Double Your Impact!

Be sure to check with your employer to see whether your donation is eligible for a matching gift.
